

Thank you for considering becoming a foster carer for Home For China Dogs.

Because we care deeply about our rescued dogs, and value our volunteers greatly, we ask that you complete the attached form, to enable us to match both you, and the animal as best and appropriately as we can.

By doing this, we hope to minimise the risk of misplacements which would be likely to cause stress and upset to both yourself and the dog.

However, we are not perfect so, should you ever feel that for any reason, you are unable to cope, or are just not happy with the situation, please contact us as soon as possible so that this can be rectified.

I am available 24/7 on the phone number supplied below or on Home For China Dogs Facebook page, and will be only too pleased to offer any advice and assistance I can.

Best wishes,
